May 2006

## 2006 Hurricane Season & Vehicle Passes

The 2006 hurricane season officially begins on the first day of June and ends on the last day of November. Experts predict another very active season with an extended forecast that includes seventeen named storms, nine hurricanes, and a 47% chance that at least one major storm will strike the Gulf Coast of the United States.

In preparation the City has circulated Resident Vehicle Passes with the May utility bills. These paper passes are for use whenever traffic into Shoreacres is controlled during an emergency (storm, chemical release, etc.). Additional passes are available at City Hall during normal office hours.

## Bay Preservation Jam – Sunday, June 4<sup>th</sup>

Don't miss Galveston Bay Conservation and Preservation Association's (GBCPA) Bay Preservation Jam. It's in the shaded, breezy Landolt Pavilion at the Clear Lake Park on Sunday, June 4, 2006 from 1:00 pm to 5:00 pm.

Headline entertainer Rocky Hill is known as one of the best of the real bluesmen and is a masterful guitarist, singer, and songwriter. Hill has reached near legendary status on the Texas blues circuit. Longtime fans have followed Hill's career on stage, working with such legends as Freddy King, Jimmy Reed, John Lee Hooker and Big Mama Thornton. One of his first bands was "American Blues", which included his brother Dusty, ZZ TOP bassist, and ZZ TOP drummer Frank Beard. Rolling Stone hailed Rocky as an "outstanding, articulate and creative" musician and "Texas' finest blues-rock guitarist, right up there with Eric Clapton and Johnny Winter."

Also appearing Janet Z, a talented local artist who opened for Grammy Winners, Asleep at the Wheel and Jon Townsend with Danny D. Jon Townsend is a Dallas transplant to our Gulf coast and has a vocal style reminiscent of the Beatles (Paul), guitar like SRV and piano playing like Elton. He's an up-and-coming artist you don't want to miss.

Opening at 1:00 is Viva Los Chuyz, a Tex Mex meets Reggae Band whose lead guitarist was the lead for Joe King Carrasco.

Tickets are \$12 at the gate. For advance tickets send \$10 per ticket to GBCPA Fest P. O. Box 323 Seabrook, Texas 77586 (Checks only please, no cash).

All proceeds go towards the protection and preservation of Galveston Bay.
