Bicycle Identification Program

The Shoreacres Police Department invites all bicycle owners to participate in an identification program that will help with the return of lost and stolen bicycles.

**Saturday, October 28th – from 9am to Noon
Shoreacres Police Station, 601 Shoreacres Blvd.**

A digital photograph will be taken and identifying marks recorded from the bicycle. Child identification kits, bicycle safety materials and home security information will also be available.

Happy Halloween Haunted House!

Children of all ages will be Treated to a Haunted House from 6:30 to 9:00 pm Halloween night at the gazebo next to City Hall. Sorry, no hay ride this year.

Your Shoreacres City Council

VoIP Broadband Internet Telephone Service

Do you have VoIP (Internet) telephone service at your home? If so, here are some important things you should know.

Activate Your 911 Dialing

Contact your VoIP provider and supply them with your street address and 10-digit emergency telephone numbers for fire, police and ambulance.

FIRE 281.471.2141

POLICE 281.326.5900

AMBULANCE 281.488.0022

Activate Your Emergency Notification Service

The City of Shoreacres uses an automated telephone notification service to call residents and deliver a variety of emergency messages. VoIP (Internet) subscribers are not automatically added to the City's notification list. If you have VoIP telephone service at your home please contact City Hall and provide your address and VoIP telephone number so we can add it to our system.

Service Loss During Power Outages

VoIP 911 dialing and emergency telephone notification will not function during power or broadband outages.
