

## Shoreacres Shorts

November 2006

### Annual Children's Tree Decorating Night

For several years now the City has hosted a Christmas tree decorating get-together for children of Shoreacres. This year the event is on Wednesday, December 6, at 5pm in the old fire station adjacent to City Hall. This is where the kids can come and make ornaments for the City Hall Christmas tree. Then, after the annual Citizens' Christmas Party, they can come get their crafts to take home for their own trees.

### Annual Citizens' Christmas Party

The City of Shoreacres has received credible word that Old Saint Nick will pay a pre-Christmas visit to City Hall on Wednesday, December 13! Surprisingly that's the date of the Annual Citizens' of Shoreacres Christmas Party. As in past years, this will be a covered dish event complete with the traditional Christmas Caroling Hayride! And, don't forget that Santa will make a personal visit and listen to all the wishes of those little ones brave enough to sit on his lap.

The party begins at 6:00pm in the old fire station building adjacent to City Hall and Santa is scheduled to arrive at 6:30pm.

### Trash Collection

Shoreacres household trash is collected on Monday and Thursday each week. Recycled materials are collected on Thursday. Containers for recycling are available at no cost to residents at City Hall.

**THERE WILL BE NO TRASH COLLECTION ON THANKSGIVING, THURSDAY, NOVEMBER 23<sup>RD</sup>.**

The next pick-up will be on Monday, November 27<sup>th</sup> following the holiday. Please do not put trash out before Monday morning.

### Community Awareness & Emergency Response Line

Your free source for 24-hour emergency information about incidents at area chemical facilities and transportation incidents (such as a tanker truck, rail car, pipeline, or marine vessel) that may impact the greater Shoreacres community.
