Clean-Up Green-Up Date Scheduled

The City will conduct the next Clean-Up Green-Up:

Saturday, April 21 – 9am to 3pm

Vegetation and limbs up to 6-inches in diameter can be brought to the City's yard just west of SH-146 (enter north and before the RR tracks). A City crew will meet you there with heavy equipment to unload and chip your limbs. Free mulch is even available for your return trip!

Only yard trimmings will be accepted — please do not bring other trash to the site.

Got Bayport Noise? If So, You Should Call PHA's "Good Neighbor" Hotline

The City is receiving LOTS of noise complaints about the Bayport container handling operations. It's important that citizens report their complaints directly to the Port of Houston Authority. They have a "Good Neighbor" Hotline that you can and should call with any complaints, comments or requests for information:
