Annual Children's Tree Decorating Night

Every year the City hosts a Christmas Tree decorating get-together for the children of Shoreacres. This year the event will be held on Wednesday, December 5, at 5:30pm in the old fire station adjacent to City Hall. Kids are invited to come and make ornaments for the City Christmas Tree. Snacks will be served. Ornament crafts can be taken home for the family tree after the Shoreacres Citizens' Christmas Party.

Citizens' Christmas Party – December 12th

The City of Shoreacres has received credible word that Old Saint Nick will pay a pre-Christmas visit to City Hall on Wednesday, December 12! Surprisingly that's the date of the Annual Citizens' of Shoreacres Christmas Party. As in past years, this will be a covered dish event complete with the traditional Christmas Caroling Hayride! And, don't forget that Santa will make a personal visit and listen to all the wishes of those little ones brave enough to sit on his lap.

The party begins at 6:00pm in the old fire station building adjacent to City Hall and Santa is scheduled to arrive at 6:30pm.

Trash Collection

Shoreacres household trash is collected on Monday and Thursday each week. Recycled materials are collected on Thursday. Containers for recycling are available at no cost to residents at City Hall.

THERE WILL BE NO TRASH COLLECTION ON THANKSGIVING, THURSDAY, NOVEMBER 22ND.

The next pick-up will be on Monday, November 26th following the holiday. Please do not put trash out before Monday morning.

Community Awareness & Emergency Response Line

Your free source for 24-hour emergency information about incidents at area chemical facilities and transportation incidents (such as a tanker truck, rail car, pipeline, or marine vessel) that may impact the greater Shoreacres community.
