Shoreacres Shorts

February 2008

It's Time to File for City Elections

With the May 10th election three months away the city has begun accepting applications for a place on the ballot. This year we will be voting for Mayor and two at-large Alderman (City Council) positions.

Candidate information and application packets are available at City Hall for those interested in seeking office. The deadline to file for a place on the ballot is March 10th at 5:00 P.M. Any adult citizen of Shoreacres who has resided in the city for at least six (6) months by Election Day is eligible to run for the office of Alderman.

Employee & Citizen of the Year Nominations Now Being Accepted

The City of Shoreacres recognizes one employee and one citizen each year for his or her outstanding contributions to the community. We are now asking for your nominations for Employee and Citizen of the Year 2007. City Council will honor the winners at a City Hall Council meeting and on a plaque in the City Hall lobby. Applications should be submitted to City Hall by the end of the first week in March.

Volunteers Needed for City Boards

The City needs you!

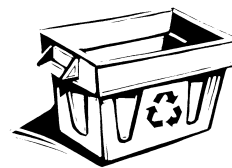

We are looking for a few good citizens to fill positions on various City boards and commissions including the Parks Board. Volunteers assist with planning and community projects. *No prior experience is required.*

Anyone interested can pick up an application form at City Hall or on the City's website, www.CityofShoreacres.us Submit your completed application to City Hall.

Recycling Program

Our recycling program gives each of us a way to conserve landfill space by reducing the volume of waste that is buried in the ground. It also helps us ease the burden on our natural resources by recycling old materials such as paper into new products. In a typical community each family generates about 60 pounds of recoverable newspaper, cardboard, glass, plastic, tin and aluminum every month.

The City of Shoreacres provides blue plastic recycling bins for resident use. If you need a bin please contact City Hall at 281.471.2244.

Thursday is Recycling Day

On your recycling day place your filled bin on the curb by 7am. Rain or shine, Allied Waste will pick up the recyclable materials listed below. It's that easy!

Newspaper & Magazines. No junk mail, phone books, or other paper.

Plastics. Clear and cloudy plastic soft drink bottles and milk jugs (please rinse, drain completely and remove caps). No plastic wrap or other bottle types.

Cans. Aluminum & bi-metal (tin) cans only (please rinse, drain completely and flatten). No foil, pie tins, aerosol cans of any type, or scrap metal.
