Shoreacres, TX 77571-7262

Shoreacres Shorts

June 2008

Going in Vacation?

Come by City Hall and fill out a Shoreacres Police Department Vacation Watch form and our officers will check your house a couple times each day while you're out of town. If there is a problem, the information you provide on the form will let us know how to contact you.

Do You Have An Alarm System?

The City does not require alarms to be registered nor to pay any fees, but our Police Department would like to have your alarm contact information on file in the event your alarm requires attention.

Got Bayport Noise?

Citizens can report noise and other complaints directly to the Port of Houston via their "Good Neighbor" Hotline:

713.670.1000

Industrial Emergency Information

CAER LINE 281.476.2237

CALL 24- HOURS FOR:

- Emergency information about industrial facility incidents or transportation incidents involving a rail car, tanker truck, pipeline, or marine vessel that may require public protective action.
- Information about emergency response actions, explosions, fires, or chemical releases that may require public protective action.
- Information when community or industry warning alarms sound.
- General information about flaring, smoke, noise, nuisance odors, drills, firefighting training or minor incidents that may not require protective action.
- Shelter-in-place instructions.
- Odor reporting.
