POLICE-COMMUNITY PARTNERSHIPS

SHOREACRES NATIONAL NIGHT OUT 2008

Tuesday, October 7th, 2008 has been declared National Night Out. In an effort to foster neighborhood togetherness and to meet our police department, we will celebrate this occasion in Shoreacres in the following manner:

1. Organize block parties where neighbors can meet and interface with police personnel.
2. Have a central location manned by police personnel with exhibits of equipment and services.

We are seeking volunteers to act as hosts for block parties. Anyone interested should contact our Police Chief Randall French at City Hall, 281.471.2244.

Heron Park Needs Your Tree Limbs

Our park volunteers want to use your tree limbs to line the trails and paths in Heron Park. If you trim your trees and have limbs (with small branches and leaves removed) that you can donate, please drop them off at the front of Heron Park on South Country Club. Limbs should not be larger than 6-inches in diameter nor longer than 3-feet.

Got Bayport Noise?

Citizens can report noise and other complaints directly to the Port of Houston via their "Good Neighbor" Hotline:

Call 713.670.1000

Now answered around-the-clock!
