   Evading Arrest------------------------------------------1
   DWLS----------------------------------------------------1
```

June the 5th will be the last day of school. The children will get an early out at 12pm. I will see if I can get the school zone flashing light turned off. They will if they do not have a summer program at the school.

I would like to inform everyone about the new 20mph speed limit on Bayou Forest and Windleaf in our city. The signs have been put in place and enforcement will start. Watch your speed in the residence parts of the city.

Recently we have had several people cited for failure to obtain a building permit for work done at their home in Shoreacres. Just about any work requires a building permit. If you are in doubt we suggest you contact City Hall and ask. The summer vacation time is upon us now and several people will be going out of town even with the high gas prices. City Hall has a vacation watch form that I recommend you fill out and turn back in. Your form will go into the police officers computer and will be personally checked four times in a twenty four period. Fill in as much information as you can so we can give you a better check.

I would like to give out my email address for any citizen who might have a question that they would like answered. Also if anyone has a topic are question they would like discussed in the police report please email me and I will try and answer your request. Chief@cityofshoreacres.us

There were eighteen reported cases this month and sixteen were cleared are closed for an 88.80% rate. Attached are the month to month stats along with the DOT stats.

Randall J. French
Chief of Police
City of Shoreacres
