The month of June has not been nice for mail boxes. We have several destroyed. Six in one night and several over the month. We do have a suspect in most of these cases and hopefully will be filing charges soon. We are asking any citizen to please call the police dispatcher when they see juveniles out late at night in possible violation of curfew.

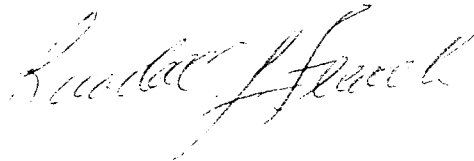

The crowds at the fishing pier have started to grow on the weekends. Again I would like to remind all that you must be a member or be a guest with a member to go out on the fishing pier. This last Saturday was the new pier key handout, so if you did not get a new key your old one will not work. Please do not climb around or over the gate.

Road construction will start this week on Westview and East Bayou. The roads construction will take about a month. We have had eight accidents reported last month and five already this month so please drive carefully and slower.

I did not receive any calls or emails from citizens asking any questions or wanting any information about laws, city ordinances, or general information this month.

This month there were twenty six cases reported for investigation and twenty two were cleared or closed for 84.60% rate. Attached are the month to month and Commercial Vehicle stats.
