

POLICE REPORT FOR COUNCIL MEETING 11-10-2008

Again the police report will be a little different this month. As of November 1, 2008, the police department has gone back to their normal shifts. The Commercial Vehicle Inspection unit has started back up. As shown on the monthly comparison sheet the suspicious person/vehicle calls are still high. The traffic (sight seers and others) has dropped off considerable. The total calls for service have remained high. I have received a letter of resignation from Officer C. Tanner. (copy attached) With her leaving and Officer R. Holley resigning last month it leaves us a little short. I have received some applications for full time and part time officers and started the background investigations on both. Even if the backgrounds go smoothly each officer will have to ride FTO (field training) until they learn our SOP's and city. Hopefully they will be on their own before the first of the year.

The stop signs have been taken down at the intersection of Shoreacres Blvd. and Old Broadway. Make sure the East and West bound traffic stops for you. The Police Department has completed a list of damaged property and submitted it to FEMA. I have also obtained three bids for the cost of repairing the court/council room and police room down stairs. Hopefully work can begin shortly. Attached is the month to month stat sheet.

Randall J. French
Chief of Police
City of Shoreacres

Chief French,

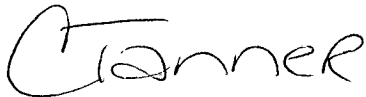

I am writing to inform you of my resignation from the Shoreacres Police Department. My last working day will be Monday November 3rd and my last official day November 7th.

I have learned and grown as a peace officer while working here and will miss it. But the new position I have taken will give me better retirement and medical coverage, while allowing me to live closer to my family. Thank you for the opportunity.

My forwarding address is

304 N Main Street
Lindale, Tx 75771

Sincerely
