The Shoreacres Police Department is now back to normal shifts. Our Commercial Vehicle Inspection Units are again stopping trucks and police officers are back on regular shifts. Once again I would like to thank the many other police agencies that gave us a hand after Hurricane Ike. I would like to remind everyone that just because Bayshore Elementary is closed the school zone on Old Highway 146 and Fairfield are still in effect. Some students ride the bus back to the school each day to be let out at that location and still need the school zones.

The residents that are not staying in their homes while they are being worked on need to secure the home while they are away from them. It would also be helpful if the residents would also leave some type of contact phone number on their door or window. When we find someone in the house or yard it would make it a lot easier if we could contact you from the scene. City Hall does have contact phone numbers in the files. We have had some criminal mischief done this last month. The juvenile curfew is still in effect. We have sent out seventeen letters notifying swimming pool owners that the time has come to complete all fence work around your swimming pool. If you have received one of these letters and have questions please contact me at City Hall.
