 Chambers Co. Warrant (probation violation)-----1
 DUI (driving under influence of drugs)-----1
 Family Violence-----1
 Harris County Warrants-----2

The Shoreacres Police Department Commercial Vehicle Inspection Department Officer M. Niemann has completed his forty hour school in Austin and is now certified to inspect hazardous materials and cargo tank containers. He was already certified for all other types of trucks.

We are asking the citizens of Shoreacres to secure their homes if possible when they are not living there at this time. It would also be very helpful if each person would leave a contact phone number fixed somehow to the front door. Several homes have workers taking items are throwing them away. We need to be able to verify that they have your permission to be there and dispose of the items they have. Several homes have some type of dumpster parked in the driveway are front yard. These are not public dumpsters and are not to be used by contractors are anyone else. The city is still picking up debris from the curb so there is no need to try and use someone else dumpster.

Several residents have received tickets for their pools not being secured by some type of fence and the water being so dirty that the bottom can not be seen. Temporary fencing is acceptable and the water does not have to be clean enough to swim in but the time has come to start enforcing this ordinance for the safety of the younger public.

The city has received a new Dodge patrol vehicle and Public Works has received a new Ford pick-up truck. They will have the new stripping on them.

Randall J. French
Chief of Police
