On July 6, 2009, Shoreacres Blvd. is being striped. Both center and outside lanes. I would like to remind drivers it is illegal to cross a solid white line. The solid white line at Shoreacres Blvd and State Highway 146 should not be crossed to make a right turn on a red light. If you are involved in an accident you will be cited as at fault. Also the cross marks at intersection are now clearly marked and you should stop behind that mark at a stop sign.

Last week Officer Michael Ford spotted a van that just did not seem right to him. He ran the license plate on the inboard computer in the patrol car and found the van to be stolen out of Galveston. A short chase ensued and one person was arrested in Seabrook with the help of their K9 dog. Great observation and police work. The undamaged vehicle was returned to the rightful owner.

The Fourth of July fireworks display Saturday put on by the Houston Yacht Club was a big hit. The crowd at the beachfront was large and several home owners on Miramar were cooking outside. The crowd was very quite and no tickets were issued for any reason. There were also no illegal fireworks set off this year at the beach. Traffic was quickly disbursed by the Shoreacres Police Department and no one had to wait to leave. Fireworks at La Porte and Baytown could also be seen from Shell Beach in Shoreacres.

The City of Shoreacres has started sending out dangerous building letters. If you get one you should contact City Hall by the date listed on the letter and let them know your intent. The month of June 2009, was a milestone for me. It was my 40<sup>th</sup> year as a police officer with no breaks in service.
