 Criminal Trespass-----1
 Public Intoxication-----1

School will be starting this August 24th. Remember the school zones will be in effect. Shoreacres curfew will also be in effect now to include school hours. Anyone needing to know the curfew times just contact City Hall.

I have received several questions regarding the truck traffic on Highway 146 and the backing up of staging trucks along the freeway. As the Port of Houston opens more docks the truck traffic will increase. Last week police units of La Porte, Seabrook, Shoreacres, Pasadena, and Department of Public Safety conducted a weight station check point at Highway 146 and Port Road. Several trucks were in violation for being overweight.

All Officers of the Shoreacres Police Department have now completed the required forty hours and required classes for the State of Texas mandates. The new two year starting period in September 2009.

The City of Shoreacres has added more information to the web page. You can now review council meetings minutes, planning and zoning information and other useful information. There are also several pictures before and after Ike. There is also useful information for hurricane preparedness. The city ordinances are also listed for review.

Randall J. French
Chief of Police
City of Shoreacres
