Two weeks ago notice letters of city code violations were sent out to nineteen homes. These letters were for the most part tall grass but also included trees both cut up and just fallen. Some of the other violations were for building debris. These are the last homes to be in violation. The citizens have gone to great lengths to clean up the city. Most of these homes have come into compliance at report time.

Today I received a letter of resignation for Officer Michael Ford. Copy attached. His last day will be October 23, 2009. He came to our department shortly after hurricane Ike and has done an outstanding job. He has taken a position with Harris County Constable Precinct 8. He is an excellent officer and will be hard to replace. We wish him well. Part time police officer Daniel Vela who has worked here since 2005 will be offered the full time position. Officer Vela is also our Fire Marshal.

On several occasions people have been dumping debris on empty lots in the city. We are asking all citizens to be watchful and call the police dispatcher at 281-326-5900 if they observe any illegal dumping are even a vehicle driving several streets maybe looking for a spot to dump illegally. Several citizens have found debris dumped on their lot after they have cleaned it.
