DWI-----2
DWLS (suspended license)-----2
DUI (driving under the influence)--1
Minor in poss. of alcohol-----2

The City of Shoreacres has a new written policy on Bias Based Profiling AND Video Policy. The new four page policy follows the guidelines of the present policy but adds a new video procedure to be followed. Copy will be presented to City Council for review.

The parking lot at City Hall has been completed. The rear section is now open for parking and the East side will be open Monday 11-9-2009. I would like to thank everyone for their patients with the recent parking problem especially during court and jury trials. The new cement fifty year parking has several more parking spaces and designated handicap assigned parking. The one way enter and exit has been changed enter and exit from either entrance. Parking at an angle in the rear and straight in on the west side is now permitted.

The city experienced two fires this last week. One was at the Yacht Club. It was a wooden cruiser that was made in 1967. The refrigerator wiring caught fire. The boat was burned on the inside only. The other was a house fire on North Country Club. This house caught fire and relit two more times. The house looks to be a total lost. The residences had just move back in after hurricane Ike last week. It was also started by faulty electrical wiring.

Work on the new overpass has begun. The roads will have some mud on them and large pieces of equipment will be near the freeway and crossing streets. Please slow down in these areas.

Randall J. French
Chief of Police
City of Shoreacre
