The Christmas holidays will soon be here. School will be out soon and children will be playing in the city. We urge you to drive slowly. Several homes are in the process of being built in the city. With the recent rains the roads have become muddy at times. I have spoken to most of the contractors about cleaning the streets periodically during the building process. Also work on State Highway 146 will be progressing towards Shoreacres Blvd. There will be new traffic barrels out and soon the alternate lanes will be in place. The highway becomes muddy at times and is very slick. Drive carefully.

At this time I would like to inform the citizens of Shoreacres who have received city ordinance violation letters in the past and even a municipal court citation that we will be giving citations again for the same offense if some type of action has not been taken. We will not send out letters of the violation again. If action is not taken you could receive a citation every fourteen days. If there is a reason for not cleaning up your property please call me at City Hall.

The Christmas ornament making party last night 12-2-2009, at City Hall went very well. A good turnout and the children and some adults made some very nice ornaments. There were cookies, candy and drinks for everyone.

The city has received delivery of the new 2010 Dodge patrol vehicle. Sgt. Bianchino will rig it out soon so it can be placed on patrol.

Randall J. French
Chief of Police
City of Shoreacres
