Miles Driven-----4891
Tickets-----319
Arrest-----10

Traffic Warrants-----6
Traffic Arrest-----1
DWLS-----1
Evading Arrest-----2

Again we had trouble with the traffic light at Shoreacres and State Highway 146. A man driving alone passed out and made a left hand turn across all lanes of traffic and hit the control box for the traffic lights. The Shoreacres Police officer was on the scene very quickly and asked Pct. 8 for help with the traffic control. They sent two officers out and they started directing traffic which resulted in no backup of traffic. We contacted TXDOT who sent out the electrical contract company that handles that intersection. They just happen to have a box ready on this side of town that they were going to replace the old one with. They brought it out directly and in five hours the intersection lights were up and working again. The whole time the lights were not working Shoreacres Police Officers were working traffic direction.

Spring is here and the grass and weeds are growing once again. Many residents have neglected their yards. The clover can grow very fast and high. We ask that each resident take the time to cut your yard. You should also clear the ditch if you have one in front of your house of any debris when ever possible. Clean up green up is in May this year on the 15th & 16th. Just stack your cuttings between the street and the ditch and the city will pick them up on the 17th.

Work on the downstairs rooms is just about complete. The painting is now being done. The rooms should be ready for use soon.

Randall J. French
Chief of Police
City of Shoreacres
