The meeting room is available for group meetings, you may contact City Hall for availability. City Hall will remain open and operate from the downstairs area while the upstairs is being remolded.

Work on State Highway 146 is progressing well with some of the services lanes already poured with cement. At some point during the construction the intersection light will be moved to the new service road.

I would like to remind everyone that the fishing pier along with the parking lot on Miramar is private property. If you would like to enjoy the use of the pier you must be a member of the Pier Association, to join you may contact the Shoreacres Recreation Association, 281-470-9743 or 281-701-8751.

Demolition of the old Bayshore Elementary school on Fairfield is scheduled to begin sometime in May. Please use caution in this area while demolition work is in progress.
