The work at City Hall is still in progress. The upstairs is closed and the bottom floor is now the temporary City Hall. Work should be concluded this week.

School is now out. Watch your speed in the neighborhoods. When summer school starts soon, the school zones will again be in effect.

The demolition at the old Bayshore Elementary School is just about complete. When they are through, there will be nothing but smooth ground. There will be some continuing noise when workers break up the cement slab and drop it into the dump trucks. They have managed to keep the roads clean at our request.

The new 20 MPH speed limit signs are up on Miramar and the speed limit will now be enforced. Along with the speed limit signs, the city has also installed NO PARKING signs. The parking signs are for the beachfront side of the street. Parking is still allowed on the west side of Miramar and both sides of Baywood.

Summer time is here and the grass will grow very fast with some rain. All citizens are advised to clean your yard and cut your grass. The Police Department will no longer send out letters advising you to cut or clean your yard.
