The fireworks display at the Houston Yacht on the fourth of July was a big success. The parking on the beachfront went well. Only one car got stuck. There were several parties not just on Miramar but throughout the city. No one was arrested and no municipal court citations were issued. A good time was had by all.

Last week we had a burglary of a residence where the back door was kicked in. Two large screen televisions were stolen along with several guns and jewelry. Thanks to great police work by Officer D. Newman the three suspects were arrested and charged with felony burglary. All the property was recovered and returned to the complainant.

The heavy rains flood the roadway on West Bayou Street. The high tides along with the rain makes Taylor Bayou flood its banks and the water covers the roadway. Please do not drive over a flooded street when you can not see the roadway through the water. Public Works has placed high water signs at the needed locations.

I would like to inform all citizens that Sgt. Samuel Bianchino has resigned to take employment with the La Porte Police Department. He had been here for ten years. He did an outstanding job for the citizens and the Shoreacres Police Department and will be greatly missed. We wish him well in his new employment.
