I would like to congratulate Officer Daniel Cantu who was just recently promoted to Sergeant. He will start his new shift of late evenings next week. Officer Juan Saucedo will finish his field training (FTO) this week and will be assigned to the night shift.

I have received several complaints from citizens who live on Miramar about speeding vehicles. The new 20 mph speed limit signs have been up for a couple of months and police officers have starting writing tickets for the new speed limit. Please slow down. Shell Beach has become very popular this summer. We encourage all to use it. Please do not pull the benches into the water and use the trash receptacles near the road. Do not park on the grass at any time, not even to load or unload.

We have learned from the construction crews working on State Highway 146 that the lane switch from the main lanes to the service road should take place in about two weeks. They will have to move the utilities for the traffic lights and there might be some delay. All work on the traffic lights will take place from 9am to 3pm, Monday through Friday. I have informed TXDOT that at times the east and west bound traffic light for Shoreacres Blvd. and Choate Road skips a cycle. They stated they will adjust the cameras for a view of the traffic and that should help.
