

AN AMENDMENT TO ORDINANCE 1996-08, SECTION IX, RECYCLING REVENUE.

**ADDENDUM B**

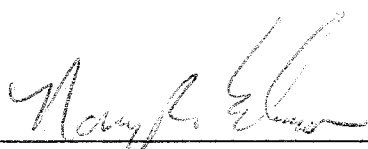

**RESIDENTIAL REFUSE / RECYCLE COLLECTION AND DISPOSAL**

**IX. RECYCLE REVENUE**

BFI shall handle, sell or dispose of all recyclable materials in accordance with Addendum "A". BFI will forgo any share in the net value received for the recyclable material by returning the net value received for the recyclable material to the City. The net value received shall be the gross value received less any and all processing costs or charges incurred in preparing the recyclable materials for their respective markets. However, should the processing costs or charges incurred in preparing the recyclable materials for their respective markets exceed the gross value received for the commodity / commodities, no revenue will be returned to customer for the commodity / commodities collected and processed.

Should net revenue exceed handling and processing of the recyclable commodity, the City will receive any and all net revenue on a calendar quarter basis.

PASSED AND APPROVED THIS 14 DAY OF June, 2004.
