Hurricane Ike Stress & Anger Workshops

6:30p to 8:30p - Tuesday, January 12 & 26

Last year Hurricane Ike took a big toll on our property and lives. We can easily recognize and deal with the physical damage, but the emotional damage may be much more difficult to repair.

The Houston Galveston Institute (HGI) would like to help. In cooperation with the City of Shoreacres HGI is holding a series of two-hour Hurricane Ike stress and anger workshops at City Hall.

Come learn what you can do to help your family and yourself overcome the lingering affects of this traumatic event.
