Clean-Up Green-Up Weekend

The City will conduct the next Clean-Up Green-Up:

Saturday & Sunday, May 15 & 16

Curbside Pick-up Starts May 17

Green vegetation, branches, tree trimmings and limbs up to 6-inches in diameter can be set curbside for pick-up in front of your home.

Please set your yard material between the ditch and the street before 7:00am Monday, May 17. Do not tie into bundles. No need to cut into short lengths, long limbs are preferred for chipping. Whenever possible place the cut end of the limbs towards the street for easy pick-up. Don't mix yard material with other trash or wood products - doing so will result in all of the material being left for your disposal.

It is very important that you keep both the street and the ditch clear of all debris.

A crew will come by with equipment to pick-up and chip your limbs beginning on Monday. Please be aware that it may take a couple days to complete pick-ups throughout the city.

City Elections Have Been Canceled

After all filing deadlines have passed for the upcoming city election the City Secretary has certified that all candidates in the City election are unopposed. As a result the City Council passed a Resolution on March 22 officially canceling the unnecessary city election. The La Porte ISD election however will still be conducted at the Shoreacres City Hall.

On May 17 Dolly Arons will assume the office of Mayor, Gerry Victor will return to council for another two-year term, and Nancy Schnell will become the newest councilmember.

Global Care Day, Thank You Lyondell Basell

A very BIG Thank You to the dozens of Lyondell Basell employees and others who volunteered to spend a day working in Shoreacres and planting trees at Circle Park. Your work looks wonderful and the trees will be enjoyed for years to come.
